

NOVEMBER 16th

1972

1973

On Friday, November 16th, at 1:00 pm a program entitled "SAVE and CHANGE BLACK SCHOOLS in Commemoration of the Southern University Massacre", will be held on the Tennessee State University Campus in the Student Union building. Similar programs are to be held on college campuses all across the nation and this program incorporates the efforts and awareness of concerned Black students at Tennessee State, Fisk, Meharry, and Vanderbilt. The program is being held as our way of saying we remember two young Black men,

DENVER SMITH and LEONARD BROWN

who were murdered on November 16, 1972, by Louisiana policemen, for nothing more than being Black and committed to struggle. *SAVE AND CHANGE BLACK SCHOOLS*
