Friend and Neighbors:

For years Nebraskans have memorialized the birth date and death of Malcolm X, born Malcolm Little in Omaha, Nebraska, May 19, 1925 at 3448 Pinkney Street. The State of Nebraska honored him on **May 19, 1987** with a beautiful State of Nebraska HISTORICAL MARKER, for his outstanding contributions and struggles on behalf of human rights throughout the world. Mayor Walt Calinger of Omaha held his press conference at the Malcolm X Memorial Foundation Site on May 19, 1988, and issued a proclamation designating May 19th as Malcolm X Day.

Members and guest speakers described the historical changes Brother Malcolm made in his lifestyles and especially-upon his return from Mecca. At the time of his death on February 21, 1965 he was known as El-Hajj Malik El-Shabazz. His birth site is listed on the National Register of Historical Places in Washington, D.C.

Your organizations and friends have standing invitations to come to Omaha for meetings, conferences, workshops or for any activity which serves to improve the human rights of all mankind! Tell all of your friends "to go to Omaha and see what they accomplished with our money!" The Foundation wants you to be proud of your participation in the Malcolm X Memorial Foundation, Inc.

We are requesting private and public (your) support in acquiring additional property adjoining the birth site. There are approximately 40 lots available. Our major goal is to construct a memorial to one of America's most distinguished unsung heroes, Malcolm "X" (El-Hajj Malik El-Shabazz). This memorial will be an International Shrine and Educational Center honoring our beloved brother, Malcolm.

The city of Omaha has pledged their support. Your help and support is needed and will be greatly appreciated. Time is of essence! Additional information is available if requested. Please -- let us hear from you. Please make your contribution by check or money order today. Forward all contributions to:
