What a decade we have in store for ALL of us!

Dear Friends:

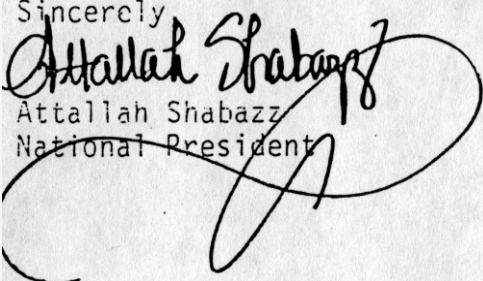

Congratulations are in order for all of your support! Finally, after many months of acquiring funds with your assistance, the Malcolm X Memorial Foundation has indeed succeeded in purchasing 66 lots (= 8 acres) surrounding the Malcolm Shabazz birthsite. Just the beginning of many dreams to come true.

The next step includes the securing of architectural plans, as well as continuing to raise monies to accomplish this goal. By May 19, 1990, we're hoping for the land area to be cleared enabling us to have an outdoor celebration upon which time, a proclamation, by Ron Daniels, will be made to acknowledge Malcolm Shabazz' birthday as a national African-American observance day!

If you have any further inquiries pertaining to the development of the Foundation, please feel free to contact either Ms. Rowena Moore, Founding President or myself at the numbers noted on the letterhead.

Thank you, again, for your love, support and many prayers!

Sincerely,

Attallah Shabazz
National President
